TOPRO HESTIA

Why Hestia?

Benefits

- 1 **Rise-up handles** – Retractable rise-up handles to support getting up from seated position.
- 2 **Slidable tray** – Tray – sliding function. Tray slides back and forth for use as an easy-access table while seated. Integrated cup holder.
- 3 **Operate with one hand** – Tray – detachable and balances itself when carried with one hand.

No assembly

Ready to use right out of the box, the TOPRO Hestia is a sturdy and lightweight indoor rollator that is an easy-to-manoeuvre assistant for your home. When you don't use it, it folds for compact storage, standing on its own.

Warranty

TOPRO products are synonymous with quality and longevity. Therefore, a comprehensive 7-year warranty comes standard with all of our rollators.

*“With Hestia,
I can manage
independently on
my own at home
and enjoy the
beauty of everyday
moments.”*
